

# **PUBLIC NOTICE**

## **BY-LAW TO REDUCE IDLING VEHICLES**

On March 26, 2009 By-law No. 940/09 to reduce the time standing vehicles are allowed to idle within the Town of Latchford was adopted.

Effective May 26, 2009 any persons leaving their standing vehicle idling for more than one half hour may be subject to a \$50.00 fine.

Exceptions to this by-law are:

- Emergency vehicles responding to an emergency;
- Vehicles stopped as a result of an emergency;
- Mobile workshops;
- Vehicles in a parade; and
- Transit vehicles.

Council is committed to reducing greenhouse gas emissions in the community and an idling engine releases twice as many exhaust fumes as a vehicle in motion.
