

Dear Latchford resident,

We are pleased to provide you with an exceptional recycling program. For anyone who is unsure of what is recyclable in the program, please keep this information sheet for future reference.

Collection will be provided every Monday, with the exception of Holiday Mondays, in which case collection will commence on that Tuesday. Please remember to rinse your recyclables of food residue and shred any paper which may contain your private information, as your recyclables may pass through many hands after Eco-Logix has collected it.

Please feel free to contact Eco-Logix if you have any questions.

RECYCLABLE MATERIAL

The material to be collected will include the following:

- a) Mixed Paper includes newspaper, inserts, junk mail, magazines, catalogues, phone books, writing and computer paper, glossy flyers, egg cartons, coloured paper, clean packaging paper and paperback books ***
- b) Boxboard: cereal boxes, cardboard tubes and similar material flattened
- c) Corrugated Cardboard: (has a wavy corrugation in middle) Must be flattened and tied in bundles not larger than 75 cm x 120 cm and up to 25 cm thick (30" x 48" x 10") when collected by the recycling collection vehicle. It includes brown paper and clean pizza boxes.
- e) Aluminium/ metal Cans includes beverage and food cans
- f) Glass, clear & coloured: beverage bottles and jars only
- g) Plastics plastic containers designated with recycling symbol and #1 or #2.

Please do not put any of the following items in your recycling bin: Food, diapers, milk cartons, plastic bags, dishes, chemicals, used tissue, unrinsed/dirty materials, Etc.

Recycling pickup every Monday.
Unless otherwise posted.

Accepted Recycling Practices

What can I put in my blue bin?

- Empty plastics that contain the recycling symbol on them (water bottles and laundry soap containers)
- Empty steel and aluminum cans used for food and drink (soup cans and soda cans)
- Empty paper products (newspaper and cereal boxes etc.)
- Empty glass jars (spaghetti jars and drink containers etc.)
- Broken down cardboard boxes
- Electronics (cell phones, tvs, radios, batteries)

General rules

- *All cardboard must be broken down flat for recycling. Very large amounts should be bundled together.
- *Cardboard boxes cannot be used as recycling bins for mixed recycling, however a box can be used to contain other broken down cardboard boxes.
- *Black bags are not accepted for containing recycling. Clear bags are accepted.
- *No food waste
- *No medical waste
- *No wood or metal scraps
- *No cigarette butts
- *No human or animal waste
- *No large heavy carts for loose recycling (we must be able to safely lift and tip and recycling container) but you can use the larger carts to hold your clear bags.
- *No Kleenex, toilette paper, paper towels, pads or tampons
- *No clothes, fabrics, shoes etc.
- *No pots, pans, dishes, vases etc.
- *Collectors will not be verbally or physically abused or bullied. This will result in discontinued collection services to your residence or business.
- *Inappropriate materials will be left behind
- *Please have your bins out by 8:30 am

Exceptions

- If you have a disability, we will make accommodations for you. Please call us to let us know.

Questions

- These guidelines are the generally accepted practices in North America for curbside recycling. Please call anytime if you're not sure about recycling! Your call will be returned within 24hrs. If you're interested in rationale for recycling rules or the recycling process we're always happy to explain!
