

Town of Latchford

Council Decisions & Updates

Latchford Council Meeting Highlights – June 16, 2026

Planning for the Future

Council approved moving ahead with an RFP for a new Official Plan & Zoning By-law, a key step in guiding future growth and development.

Public Works Update Received

Council reviewed the latest Public Works report to stay informed on infrastructure and operations.

Zoning Review in Progress

Council is consulting with the MTO and Planner before making decisions on a proposed used car lot at 31 Main St., ensuring proper review and compliance.

Support for Municipal Issues

Council backed resolutions calling for:

- Fairer municipal funding models
- Sustainable fire service funding
- Review of OPP policing costs

2026 Taxes Approved

Council passed by-laws setting:

- Tax rates & ratios for 2026
- Water & sewer rates were tabled for further consideration

Website Update

Staff have been working on a new municipal website, with a goal to launch late July / early August.

Next Meeting

 July 14, 2026

💡 *Big picture: Council focused on long-term planning, financial oversight, and advocating for fair provincial funding.*
