

**CORPORATION OF THE TOWN OF
LATCHFORD**

BY-LAW NUMBER 2019-015

Being a by-law to establish a Waste Management system for the collection and disposal of garbage, refuse, and recyclable materials in the Town of Latchford

WHEREAS Section 11 of the Municipal Act, 2001, authorizes councils of local municipalities to pass by-laws respecting matters pertaining to waste management; and

WHEREAS Council of the Corporation of the Town of Latchford deems it expedient to enact a new By-law to consolidate previous by-laws pertaining to the operation of the landfill site and the collection of refuse and recycling.

NOW THEREFORE the Council of the Corporation of the Town of Latchford enacts as follows:

1. DEFINITIONS

The following definitions shall apply to the interpretation of this Bylaw. To assist in the interpretation of this Bylaw, terms that appear in *italics* are defined in this section.

"Act" means the Municipal Act, 2001, SO. 2001 Chapter 25, as amended;

"aerosol container" means any empty aerosol container, which falls within the meaning of the definition of "empty container" in the regulations made under the *Environmental Protection Act*.

"aluminum foil" means clean aluminum containers such as pie plates, tart containers, TV dinner trays, roasters, and household aluminum foil;

"approved container" means containers described in Schedule "C";

weekly collection" means the collection of materials once every week;

"blue box" means an approved curbside recycling container as described in Schedule "C", which is used to collect recyclable materials described in Schedule "D";

"boxboard" means non-corrugated cardboard packaging such as cereal and shoeboxes and any similar rigid paper packaging with the metal or plastic portion or both removed;

"brush" means shrubs, hedges, trees, large branches (greater than one (1) inches in diameter), stumps, logs, timber, etc.

"building owner" means the registered owner of multi-unit residential building or the building owner's designate (ie. property manager) in charge of a multi-unit residential building;

"bulky items" means large items including, but not limited to, mattresses, furniture, barrels, and any other discarded materials which would normally accumulate at a residential dwelling or multi-unit residential building;

"By-Law Officer" means a person duly appointed by a by-law of the Town to administer and enforce the provisions of this by-law;

"collection location" means the location designated where residential waste, recyclable materials, leaf and yard waste, and bulky items are placed out for collection;

"contractor" means any person, partnership, or corporation and the employees of any such person, partnership, or corporation with whom the Town has entered into a contract or agreement for the collection or processing of waste;

"Council" means the Council of the Town of Latchford

"curbside collection" means the system of collection of garbage, recyclable material is at or near the curb;

"Public Works Supt." shall mean the Public Works Supt. for Town of Latchford or his designate;

"electronic waste" means items permitted in Schedule E

"empty container" in the regulations made under the *Environmental Protection Act*;

"Environmental Protection Act" means the *Environmental Protection Act*, R.S.O. 1990,

c.E.19, as amended;

"fine paper" means computer paper and all white and coloured ledger, including writing pad paper, letterhead, reports, business forms, copy paper and scratch pads, flyers, and envelopes;

"garbage" means all materials permitted to be discarded by this by-law save and except those materials defined as recyclable materials, leaf and yard waste, bulky items, white goods, and non-collectable waste;

"Hazardous waste" means any material, which is designated or restricted waste;

"landfill" means the Latchford landfill located on Paige Road.

"newspapers" means all newspapers, including the inserts that are delivered therein;

"non-collectible items" shall include trade wastes, *recyclable materials*, old corrugated cardboard (OCC), *hazardous waste*, *leaf and yard waste*, explosive or highly combustible materials such as celluloid cuttings, oil or gas soaked rags, any liquid waste or swill whether in a container or not, bandages, poultices, dressings or other infected materials from hospitals, surgeons, dentists or veterinarians unless contained in sealed, sanitary bags or cartons, service station wastes, hay, straw, manure or night soil.

"non-residential establishment" includes:

- a) an enterprise or activity involving warehousing, storage, industrial manufacturing, commercial processes, or operations;
- b) an enterprise, activity, or project involving construction, renovation, or demolition;
- c) research or an experimental enterprise or activity;
- d) clinics that provide medical diagnosis or treatment;
- e) laboratories, hospitals, or veterinarian or animal hospitals;
- f) any business establishment including retail stores, offices, restaurants, and gas bars;
- g) any seasonal or temporary business establishment including chip wagons and vegetable stands, Christmas tree sales;
- h) malls, strip malls, plazas, and markets;
- i) an enterprise, activity, or project involving landscaping;
- j) hotel, motel, apartment hotel, hostel, or bed and breakfast establishment;
- k) campsites (excluding the permanent residence trailer parks);
- l) any residence with a centralized eating facility including but not limited to senior's homes, boarding/rooming houses, shelters, special needs homes, nursing homes;
- m) child care centres;
- n) educational institutions including but not limited to schools, colleges and universities, and museums;
- o) residences of all educational institutions including but not limited to universities, colleges, and hospitals;
- p) places of worship;
- q) any government facility including Provincial Government and Federal Government but excluding municipal facilities; or
- r) any other establishment as designated by the Town of Latchford.

"old corrugated cardboard" or "OCC" means any paper board product which is composed of a rippled, flute, or wave-shaped paper insert with paper lines bonded to the outside of the product and which does not have contaminants;

"ODP" means ozone depletion prevention

"owner" means any registered owner, occupant, resident, lease, tenant, or any person managing any residence, but does not include the building owner of a multi-unit residential building;

"public property" means property which is the Town's property, or property of a local board, or property of the Crown in Right of Ontario, the Crown of right of Canada, or any emanations thereof;

"recyclable materials" means those items described in Schedule "D" or as designated by the Waste Management Coordinators to be collected separately for the purpose of recycling;

"residential dwelling" means one (1) or more rooms connected together as a self contained, separate unit in the same structure and constituting an independent housekeeping unit for residential occupancy by persons with facilities for persons to sleep, cook, and eat, including its own sanitary facilities, but does not include a multi-unit residential building;

"scavenge" means the unauthorized removal of materials from recyclable materials, leaf and yard waste, or container waste that has been placed out for collection, or means the unauthorized removal of materials from the waste disposal site/landfill;

"sharp items" includes plate glass, sheet metal, and other objects capable of cutting puncturing but does not include sharps;

"sharps" includes used and unused hypodermic needles, insulin pen tips, lancets, and glass pipe stems;

"stop" shall mean a dwelling, building or place of business separately assessed as determined from the Municipal Property Assessment Corporation listings.

- a) "residential stop" shall mean all stops assessed with a residential property code including multi residential and the residential portion of a "commercial with residential unit".
- b) "ICI stop" shall mean all stops assessed with an industrial, commercial or institutional property code.

"Town" means the municipal corporation of the Town of Latchford:

"tipping fees" means the rate set by the Town for the disposal of waste and any other acceptable item brought to the Landfill;

"Treasurer" means the person appointed as the Town Treasurer with the meaning of the *Municipal Act*;

"tubs and lids" means plastic extrusion-molded, wide-mouth food, and hardware containers such as margarine, yogurt, sour cream, drywall compound, or hand cleaner containers;

"waste" means anything discarded for collection from any source that is acceptable for collection in the curbside garbage collection.

- a) "commercial waste" shall be considered to be all wastes originating from industrial, commercial or institutional stops. Furthermore, any garbage or refuse that generates revenue from its collection shall be deemed to be commercial haulage;
- b) "domestic waste" shall be considered to be any garbage or refuse originating from a residential stop;
- c) "electronic waste" means any waste electronic device;
- d) "hazardous waste" means any material which is so designated or restricted within the meaning of any Federal or Provincial statute or regulation;
- e) "household hazardous waste" means any household product, material, or item labeled as "hazardous", "toxic", "explosive", "ignitable", "corrosive", "reactive", or "flammable";
- f) "imported waste" means any waste transported into the Town from outside of the Town by any person(s);
- g) "leaf and yard waste" includes leaves, grass clippings, garden waste, brush,

tree prunings, pumpkins, and wind fallen fruit. Only includes twigs and branches less than one (1) inches in diameter;

- h) "non-collectable waste" means any item designated by Public works Supt. which is not permitted to be collected within the Town's waste collection system;
- i) "non-residential waste" includes all waste which would normally accumulate at any non-residential establishment, enterprise, or activity, but shall not include non-collectable waste;
- j) "residential waste" includes all kitchen and table waste of animal or vegetable origin resulting from the preparation of food; rubbish; discarded materials; clothing; broken crockery and glassware; and other materials which would normally accumulate at a residential dwelling, but shall not include non-collectable waste;
- k) "wet waste" includes food waste, food contaminated paper towels, tissues, cat litter, shavings, hygiene products, solvents, non-hazardous cleaners, and similar material.

"waste item" means an approved waste container, a bundle, a group of small containers equivalent in size to an approved garbage container

"weekly collection" means the collection one day every week;

"white goods" includes refrigerators, freezers, stoves, dishwashers, dryers, washers, air conditioners, hot water tanks, oil tanks, and furnaces.

2. **COLLECTION**

The Town shall be responsible for the collection and disposal of, *garbage*, recyclables, refuse and *leaf and yard waste* in accordance with the following provisions.

3.1 Frequency

- a) Garbage, and other refuse shall be collected once per week from each *residential stop, ICI stop*, dwelling, building or premise entitled to such service in accordance with the provisions of this By-law and Schedule 'A' attached hereto.
- b) Leaf and yard waste shall be collected up to 3 times in the spring and up to 3 times in the fall at the discretion of the Public Works Supt. Typically, collection will take place during the periods of May 1st to May 31st and Last week of October. However, collection times may vary from year to year depending on weather.
- c) Recyclable materials shall be collected by the Town's recycling contractor approximately once a week Mondays from each stop entitled to receive such service in accordance with Schedule 'A' attached hereto.

3.2 Collection on Holidays

- a) No curbside collection shall be made on the following holidays in the Town:
 - New Year's Day
 - Good Friday
 - Canada Day
 - Christmas Day
- b) Curbside collection may occur on the following holidays if proposed by the Contactor but is subject to the approval of the Public Works Supt. prior to the implementation of the Holiday collection:
 - Easter Monday
 - Victoria Day
 - Civic Holiday
 - Labour Day
 - Thanksgiving Day
 - Remembrance Day
 - Boxing Day
 - Family Day
- c) When a regular collection day falls on a statutory holiday, collection shall be made on the day after the statutory holiday .

3.3 Approved Container Types

Approved containers for garbage and recycling collection are those containers as set out in Schedule B

- a) The provision of approved containers as required in accordance with this by-law is the sole responsibility of the owner or occupant.

3.4 Container Standards

- a) No Owner or occupant shall set out a receptacle or container for collection that:
 - is not an approved container
 - is unsightly to the neighboring environment
 - emits a foul or offensive odour
 - cannot be closed tightly
 - harbours or attracts varmint or insects
 - contains waste that falls out or protrudes from it
 - is unclean or unsanitary
 - is damaged to the extent that it is unsafe to maneuver
 - exceeds 23kg or 50 pounds

3.5 Preparation of Waste and Recyclable Material

- a) All, *garbage* or refuse shall be drained and placed in an acceptable container used solely for the purpose of holding waste.
- b) *Non-collectible items*, including *recyclable materials* as outlined in Section 2 above shall not be placed with, *garbage* or refuse in containers for collection. Such items will not be collected and if they are not separated from the acceptable garbage, the entire container will not be collected.
- c) *Leaf and yard waste* shall be placed in paper bags or marked yard waste
- d) No person, unless authorized by the *Public Works Supt.* of the Town of Latchford, shall pick over, remove, scatter, or interfere with any, refuse, or garbage after it has been placed at the curb for collection.
- e) All recyclable material shall be clean and free of contaminants when placed in an acceptable recycling container for collection. Any material which is deemed to be contaminated by the contractor will not be collected. Must be separated from garbage.
- f) Any recyclable material that has come in contact with food is to be rinsed so as to remove any residual food material.
- g) Corrugated cardboard (OCC) will be collected from the curb, regardless of quantity or size, by the contractor, provided that a special collection vehicle is not required and provided that the mass of any one individual item does not exceed 23 kg (50lbs).
- h) Property owners or tenants who place recycling containers to the curb for collection are responsible for the contents and containers until the material is collected by the contractor. Said property owners or tenants are responsible for cleaning up any material strewn about for any reason.

3.6 Curbside Collection Standards

- a) Waste shall be placed on a public street, all items to be collected shall be out at one (1) location, at ground level as close as possible to the curb or travelled roadway or sidewalk where pedestrian or vehicle traffic is not impeded.
- b) Containers may be placed to the curb, ready for collection, after 6 PM the evening prior to the collection day and not later than 7am on the collection day.
- c) All containers shall be removed from the street or front yard prior to sundown on the day of collection.
- d) No, *garbage* or refuse shall be placed on, or adjacent to, any private or municipal property other than where it was generated, created, process or where it originated.
- e) No, *garbage* or refuse shall be located so as to cause a public nuisance to the adjoining property owners or to the traveling public.
- f) No *garbage* or refuse of any type shall be indiscriminately placed, tossed, dispersed or strewn on municipal property within the Town of Latchford.
- g) The town will not collect any *garbage* or refuse from a location in the interior of any property, dwelling, garage, shed, basement, trade premises or similar structure.
- h) In no case shall containers be placed on roadways, lanes, public driveways, or any other area which is used by vehicles, without the permission of the *Public Works Supt.*
- i) In no case shall containers be placed on sidewalks such that they restrict movement by pedestrians using the sidewalk.
- j) In no case shall containers be placed on sidewalks or roadways such that they restrict snow removal or plowing operations.
- k) No person shall throw, cast or deposit any ashes, *garbage* or refuse of any kind whatsoever, on or in any street, public highway, or public property in the Town of Latchford.
- l) *Garbage* collection shall not take place prior to 7:00 a.m.
- m) During winter months, no owner or tenant shall place items to be collected behind, on top or within the side of snow banks.

3.7 Storage Area Collection Standards

Where multi-tenant and non-residential buildings owners provide a *garbage* storage enclosure or shed for tenants to store *garbage* or recyclables the owner must ensure:

- The Town's contractor can safely stop at the property to collect items;
- Enclosure or sheds must be constructed in accordance with other municipal by-laws and meeting building and fire codes.
- The enclosure or shed must be opened or unlocked by 7am on the day of collection.
- Items stored in the enclosure or shed must be contained with an approved bag or container as set out in Schedule "C". Loose and prohibited items as set forth in Schedule "E" will not be collected.
- Appropriate maintenance is provided so not to permit illegal dumping, danger to people or provide access to animals.

3.8 Waste Limits

Garbage, Recycling and Leaf and Yard Waste limits are set forth in Schedule "C"

3. **LANDFILL SITE OPERATION**

The Town of Latchford shall operate a landfill named Latchford Landfill located at Paige Road, in accordance with its Certificate of Approval as amended from time to time and in accordance with this By-law.

Only ashes, garbage or refuse that is generated or is a waste product of residences, businesses, industries, and institutions that are located within the geographical boundaries of the Town of Latchford may be deposited in the Town of Latchford landfill site.

4.1 Hours of Operation

The Latchford Landfill shall be open to public as set out in Schedule "H" or at time determined by the Director of Development and Works and Council.

4.2 Landfill Attendant

Any person bringing ashes, recycling, garbage or refuse or any other material shall discharge the load only under the direction of the Landfill Attendant or his designate after paying the prescribed fee in accordance with the provisions of this By-Law.

4.3 Fees

a) The Town may prescribe fees and charges for the use of Landfill and provide terms of payment thereof and Town prescribes the fees and charges set forth in Schedule "H" of this by-law

b) All traffic must be weighed on the scales to determine fees and reporting purposes.

4.3 Old Corrugated Cardboard (OCC)

Old corrugated cardboard shall be divided at the landfill site. Any cardboard that is contaminated with waxes or oils that render it unrecyclable will be accepted at the landfill site provided that the Landfill Attendant inspects the OCC and approves of its disposal.

4.4 Matter Not to be Disposed of at the Landfill Site

No person shall dump waste at the landfill site as set out in Schedule "F"

4.5 Scavenging

No person, unless authorized by the Public Works Supt., shall pick over, interfere, remove, or scatter any ashes, garbage, or other refuse in the Town of Latchford landfill site.

4.6 Refusal Rights

a) The Town reserves the right to refuse to accept for disposal any material of a questionable nature or origin.

b) Notwithstanding subsection (a), under special or emergency conditions, the Town of Latchford may accept waste which has been approved by the Ministry of Environment.

4.7 Fees and Proof of Residency

a) The Town of Latchford prescribe fees and charges for the use of the Latchford Landfill and provide for terms of payment thereof and the Town prescribes the fees and charges set forth in Schedule "G" of this by-law

b) A "Declaration of Haulage" form must be signed by the user to verify that the wastes entering the site originated from within the Town of Latchford and that the load does not contain any substances banned from the site.

c) Proof of Residency must be provided to ensure waste entering the site originates from a property within the Town of Latchford. Residents shall provide a valid Driver License for this purpose.

4. **PENALTY**

5.1 Fine – for contravention

Any person who contravenes any provision of this by-law is guilty of an offence and on conviction is liable to a fine as provided for in section 77 of the *Municipal Act, 2001*.

5.2 Right to Ban

The Public Works Supt. has the right to ban any person or company who does not comply with this by-law or to be deemed inappropriate behavior.

5.3 Failure to comply

Failure to comply in accordance with this by-law, The Town of Latchford has the right to execute the work and recover the expense to the person or property owner.

5. **FORCE AND EFFECT**

This By-law shall come into force and take effect on May 16th, 2019

Read a first and second time this 16th day of May, 2019

Read a third time and finally passed this 16th day of May, 2019

George Lefebvre, Mayor

Jaime Allen, Clerk

SCHEDULE 'A'
CURBSIDE WASTE LIMITS

GARBAGE

- a) The number of *waste items* put out for collection per week shall not exceed two bags (2) per residential stop.
- b) The number of *waste items* put out for collection per week shall not exceed four (4) per ICI stop.

RECYCLING

- a) There shall be no limit on the number of recycling containers placed to the curb per residential stop, provided that the recyclable material originates at that stop.

LEAF AND YARD WASTE

- a) The number of *leaf and yard waste items* put out for collection during the regular collection period shall be unlimited during the leaf and yard waste collection periods brown paper or bags marked yard waste

SCHEDULE 'B'
APPROVED CONTAINERS

GARBAGE CONTAINERS

1. A curbside plastic or metal container used to contain waste for collection shall:
 - a) not leak and are not damaged or deteriorated from rain or snow.
 - b) be fitted with a tightly fitted cover to protect against damage from cats, raccoons or other vermin.
 - c) not exceed the capacity of not more than 0.2 m³ (4 ft³)
 - d) not exceed a maximum weight of 23 kg (50 lbs)
 - e) not exceed approximately 67 litres
 - f) possess handles for lifting
 - g) be free of bungee cords or rope

2. A plastic garbage bag used to contain waste for collection shall:
 - a) Not exceed approximately 26" by 32"
 - b) Not exceed a maximum weight of 23 kg (50 lbs)
 - c) Be securely closed or tied at the opening
 - d) be fitted with a tightly fitted cover to protect against damage from cats, raccoons or other vermin

RECYCLING CONTAINERS

1. Approved recycling containers shall include "blue boxes", standard clear boxes, clear plastic bags (for paper only), corrugated cardboard boxes that are capable of easily being emptied into the collection vehicle or any other container that is easily carried and is capable of easily being emptied into the collection vehicle.
2. Recycling containers must be placed to the curb such that they do not leak and are not damaged or deteriorated from rain or snow.
3. Recycling containers size shall be (24" x 16" x 14") and when filled does not weigh more than 23 kg (50 lbs).

LEAF AND YARD WASTE CONTAINERS

1. Acceptable leaf and yard waste containers include paper bags and bound bundles that are capable of being easily emptied and satisfies the size, or any other, requirements set out in this section.
2. Leaf and yard waste containers must be placed in such a manner that they are not damaged or deteriorated from rain or snow to such an extent that they cannot be loaded into the collection vehicle.
3. Individual leaf and yard waste containers must not exceed 23 kg (50 lbs). Individual branches must not exceed 25 mm (1 inch) in diameter. Bundled brush and twigs must not exceed 1.5 m (5 feet) in length and 0.6 m (2 feet) in diameter.

SCHEDULE 'C'
APPROVED RECYCLABLE MATERIALS

COMINGLED

1 PETE-Water bottle, soft drink bottles, juice bottles, mouthwash bottles, peanut butter containers, salad dressing bottles, etc.

2 HDPE-Milk jugs, Juices bottles, Cosmetics, shampoo, detergent, household cleaners, motor oil bottles, etc. 3 PVC-Food trays, cling film, cooking oil bottles, water jugs, Etc.

4 LDPE-Squeezable bottles etc. 6 pack rings, container lids, etc.

5 PP-Yogert containers, syrup bottles, ketchup bottles, margarine tubs, straws, microwavable meal trays, medicine bottles, etc.

6 PS- Meal trays, egg cartons, disposable plates and cups, takeout food containers, coat hangers, clear trays, protective packing, meat trays, compact disc cases, three and fivegallon pails, etc.

7 OTHER- Three and five gallon water bottles, DVD cases, certain food containers. Misc.- Clear plastic bags, shrink wrap, bubble wrap

Cardboard:

Broken down

Paper board:

Cereal, cake mix, pizza, shoe, shirt and cracker boxes, beer and pop cases, paper coffee cups, etc.

Metals:

Steel and aluminum cans

Glass:

Clear and colored glass bottles and jars used for food and drink

SCHEDULE 'D'
PROHIBITED MATERIALS FOR WASTE MATERIAL COLLECTION

- (a) Explosive or highly combustible materials such as oil-soaked or gasoline-soaked rags, ignited ashes, or other waste capable of starting fires;
- (b) Waste generated as a result of construction, demolition, or renovation operations, including but not limited to plaster, wood, drywall, masonry and tile, bricks, wood, windows, shingles, insulation, with the exception of those materials which, in the opinion of the Town, would normally accumulate at a dwelling;
- (c) Concrete, cinder blocks, paving stones, asphalt;
- (d) Industrial, commercial, and institutional waste;
- (e) Swill, liquid waste or organic matter, which has not been drained;
- (f) Pathological waste;
- (g) Hay, straw, manure, or excrement;
- (h) Feces of any dog, cat, or fowl unless packaged;
- (i) Carcasses or parts thereof of any animal with the exception of normal and bona fide kitchen waste;
- (j) Imported waste;
- (k) Soil, earth, stone, boulders, trees, tree stumps, tree trunks, firewood, and tree cuttings;
- (l) Hazardous waste;
- (m) Electronic waste;
- (n) Household hazardous waste materials;
- (o) Any waste that does not originate from its place of collection;
- (p) Any other material which may be classified as a "designated substance" pursuant to the *Occupational Health and Safety Act*;
- (q) Liquids including motor oils and gases;
- (r) Caustics and acids;
- (s) Radioactive material;
- (t) Septic tank pumping, raw sewage, and sludge;
- (u) Contents of cesspools and outdoor latrines;
- (v) Stock and by-products of wholesale or retail or of any industrial or commercial process;
- (w) Oil Filters
- (x) White Goods
- (y) Tires;
- (z) Railway ties;
- (aa) Wood pallets;
- (bb) Automotive parts;
- (cc) Contents of grease traps;
- (dd) Aerosol or paint container; (ee) Ammunition and weapons

SCHEDULE 'E'
ACCEPTABLE ELECTRONIC WASTE

ELECTRONIC WASTE (E-WASTE)

Electronics:

All-in-one computers, Answering machines, Audio cassette players/recorders, Camera dock printers, Cameras (Digital and non-digital), CD players/recorders, CD-ROM drives, Cellular phones, Closed circuit monitors, Closed circuit television screens, Computer keyboards, Computer mouse, Computer terminals, Cordless Telephone, Desktop all in one devices, Desktop computers, Desktop Copiers, Desktop printers, Digital picture frames, Dual computer monitors, Dual television, DVD drives, External hard drive, Fax machines, Floor standing copiers, Floor standing multifunction ,Floor standing printers ,Floppy-disk drives ,Handheld personal computers, Handheld printers, HD-DVD drives, Home radios, Home Theatre Equipment, Laptops, Mini notebooks, Modems (wired and wireless), Monitors, Netbooks, Notebooks, Notepads, Pagers, Palmtop, PDA (cell enabled), Portable audio/video players, Portable DVD players, Portable MP3/Digital audio players, Portable PC-free photo printers, Portable radios, Portable speakers, Professional Displays, Projectors (video, audio, image), Scanners Smart Phones, Stereo amplifiers, Stereo speakers, Stereo turn tables, Tablet PCs, Telephone (Rotary), Telephone (wired), Televisions, Thin clients, Typewriters (electric), Vehicle DVD/Blu-ray players, Vehicle radios, audio players, speakers, Video cameras (analog and digital),Video player/recorder(DVD/VCR/Blu-ray),Webcams, Etc.

Other:

Household and motor vehicle batteries , ink and toner cartridges, packaging styrofoam

SCHEDULE 'F'
PROHIBITED MATERIALS FOR LANDFILL

No person shall deposit at the Latchford Waste Disposal Site:

- a) sludge from septic tanks or septage;
- b) highly flammable or volatile substances;
- c) the carcass of any dog, cat, fowl, or other creature or part thereof, save bona fide kitchen waste;
- d) hauled sewage (excluding dewatered sludge, dried incinerated sludge and grits and screenings);
- e) sewage, human or animal excrement, with the exception of animal excrement which has been properly packaged in a closed container, such as a plastic bag with the open end tied off;
- f) explosive material;
- g) drugs or dangerous chemical waste;
- h) pathological waste, unless said waste has been decontaminated;
- i) liquid waste;
- j) hazard waste, unless deposited in appropriate area;
- k) electronic waste, unless deposited in the appropriate bin(s);
- l) tires, unless deposited in the appropriate set-out area;
- m) scrap metal, unless deposited in the appropriate bin(s);
- n) white goods, unless deposited in the appropriate bin(s);
- o) wood waste, unless deposited in the appropriate set-out area;
- p) brush, unless deposited in the appropriate set-out area;
- q) leaf and yard waste, unless deposited in the appropriate composting area; or;
- r) live animals or birds.

SCHEDULE 'G'
FEEES AND CHARGES

Effective 2019

Tipping fees will be collected at the landfill site office by the site Manager.

Household domestic Garbage	\$10.00 truck load (trailer) minimum
Pickup truck	\$ 10.00 a load (Brush \$7.00 a load)
4X8 Trailer	\$ 10.00 a load (Brush \$10.00 a load)
5X10 Trailer	\$ 15.00 a load (Brush (\$15.00 a load)
6X10 Trailer	\$ 20.00 a load (Brush \$18.00)
Contaminated Waste	\$25.00 /cu.yd.
Leaves and Metal	FREE
Shingles (local only)	Double tipping fees (size of trailer)
Clean wood-Wood Products	\$4.00/cu.yd.
Garbage Bags (out of Town)	\$2.00 a bag

Unsorted Demo/Construction Material \$25.00/ cu.yd.

CARDBOARD and all SCRAP METAL must be recycled and failure to do so will result in twice the normal tipping fee being applied. Facilities for cardboard and scrap metal recycling are provided at the landfill site.

ONLY WASTE GENERATED IN THE TOWN OF
LATCHFORD WILL BE ACCEPTED AT THIS
SITE.

*Effective

SCHEDULE 'H'
LANDFILL HOURS OF OPERATION

CURRENT HOURS

**Sunday:
9:00 AM
TO 4:00PM**
