

THE CORPORATION OF THE TOWN OF LATCHFORD

BY-LAW NO. 2016-12

BEING A BY-LAW TO confirm certain proceedings of Council of the Corporation of the Town of Latchford for its regular meeting held on April 21st 2016 and any of the matters shall be implemented by the exercise of natural person powers.

WHEREAS the necessary authority is found in Section 5 of the Municipal Act S.O. 2001, Chapter 25.

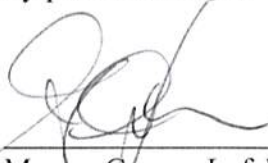

AND WHEREAS it is the desire of the Corporation of the Town of Latchford to confirm certain proceedings and by-laws.

NOW THEREFORE THE Council of the Corporation of the Town of Latchford hereby enacts as follows:

1. That the action of the Council at its regular council meeting held on April 21st 2016 in respect to each by-law and resolution and other action passed and taken or direction given by Council at its said meeting, is except where prior approval of the Ontario Municipal Board is required, hereby adopted, ratified and confirmed.
2. That the Mayor or, in his absence, the Acting Head of Council and the proper officials of the Municipality are hereby authorized and directed to do all things necessary to give effect to the said action or to obtain approvals where required, and except where otherwise provided the Mayor or, in his absence, the Acting Head of Council and the clerk are hereby directed to execute all documents required by statute to be executed by them, as may be necessary in that behalf and to affix the corporate seal of the Municipality to all such documents, and the Mayor or, in his absence, the Acting Head of Council and the clerk are hereby directed to execute all other documents necessary in that behalf and to affix the corporate seal of the Municipality to all such documents.

READ a first, second and third time and finally passed on the 21st day of April 2016.

Dated at Latchford this 21st day
Of April 2016.

Mayor, George Lefebvre

Clerk, Jaime Allen

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be clearly documented, including the date, amount, and purpose of the transaction. This ensures transparency and allows for easy reconciliation of accounts.

In the second section, the author outlines the various methods used to collect and analyze data. This includes direct observation, interviews, and the use of specialized software tools. The goal is to gather comprehensive information that can be used to identify trends and make informed decisions.

The third part of the document focuses on the challenges faced during the data collection process. These include issues such as incomplete data, inconsistent reporting, and the need for standardized procedures. The author provides several strategies to overcome these challenges, such as implementing strict protocols and providing training to staff.

Finally, the document concludes with a summary of the key findings and recommendations. It stresses the importance of continuous monitoring and evaluation to ensure that the data collection process remains effective and efficient over time.

The final section of the document discusses the implications of the findings and the next steps for the project. It highlights the need for further research and the development of more robust data collection methods. The author also provides a list of references and a detailed index for easy navigation.

In conclusion, this document provides a comprehensive overview of the data collection process, from initial planning to final analysis. It offers valuable insights and practical advice for anyone involved in data management and analysis.
