Dear Jaime Allen:

Please find enclosed a duly executed copy of your current Ontario Community Infrastructure Fund (OCIF) Formula-based Component Agreement. I wanted to take this opportunity to draw your attention to some important sections of this Agreement as well as some other important items:

1. Section A3.2 of the Agreement sets out reporting that the Province must receive before funds under this Agreement will be provided. These include the submission of all outstanding reporting under any other OCIF Agreement, any outstanding financial information returns to the Ministry of Municipal Affairs and Housing, and (if not previously provided) a copy of your municipality's asset management plan or changes thereto. Please note that this means that any prior year OCIF Formula Component Agreements will need to be fully closed-out before funds can flow under the new Agreement.
2. Under Schedule "I" of the Agreement your municipality is required to provide reporting to the Province. To facilitate this process, we will be launching an online client portal in the coming weeks. You should have recently received an email with instructions on how to register for portal access. I encourage you to register at your earliest convenience.
3. Under Schedule "H" of the Agreement, if requested by the Province, your municipality will be required to install signage promoting the partnership between your municipality and the Province on the infrastructure projects supported under the program. Over the next few months your municipality will be receiving a letter detailing these signage requirements. Please note that signage produced and installed by a third party in accordance with Schedule "H" is considered an eligible cost under the Agreement.

4. Article A4 of Schedule "A" and Schedule "G" of the Agreement sets out the responsibility of the Province and your municipality in relation to consultation with Aboriginal Groups. Please note that any aboriginal consultation that your municipality is required to undertake needs to be complete prior to the start of any project construction work.

Formula-based Component: Allocation Notice

Town of Latchford

Overview

Formula-based funding

Your community's formula-based allocation of funding (allocation) under the Ontario Community Infrastructure Fund for the next three years is as follows:

2017 formula allocation	\$50,000
2018 proposed formula allocation	\$50,000
2019 proposed formula allocation	\$50,000
Infrastructure Index	0.025
Percentage points away from median	4.6

Starting in January 2017, the Province proposes to make payments in accordance with the following schedule

- Allocations of \$150,000 or less will be provided in one payment;
- Allocations greater than \$150,000 but less than \$1 million will be provided through 6 payments; and
- Allocations greater than \$1 million will be provided through 12 payments.

Top-up funding

The new top-up component will allow municipalities with critical infrastructure projects to submit proposals to bring their total OCIF funding up to \$2 million over two years. Eligibility for the 2016 intake is targeted to communities whose formula grants in 2017 and 2018 add up to less than \$2 million and who did not receive funding under the last application-based intake.

If your community is eligible, you may apply for up to 90% of a project's eligible costs or the top-up funding cap noted in the table below (whichever is less). The top-up funding cap is based on the amount your community is receiving under the formula-based component.

Eligibility for 2016 top-up intake	Eligible
Top-up funding cap*	\$1,900,000

* Calculated by subtracting your community's combined 2017 and 2018 formula allocations from \$2-million.

Next allocation notice

You will receive an updated allocation notice in 2017. It will advise you of your 2020 proposed formula-based allocation, as well as eligibility and maximum funding available, if any, to your community under the 2017 intake of the top-up component.
